Work History..

Freelance - Graphic / Web Designer, Illustrator, Video Editor, Animator 2010 - Present

After my first year at university I started taking on projects to work on in my spare time. These projects can sometimes be very diverse but mainly consist of logo and web design. I have done work for both digital and print while working closely with my printers.

John Roberts Associates - Graphic Designer, Artworker 2012 - Present

John Roberts Associates specialise in custom work ware. The designers outsource work to me if they have too much on themselves. I work on customer designs to get them print ready using Adobe Illustrator and Photoshop. The designs sometimes contain artwork which needs to be redrawn in vector format.

Flex Sikhi - Illustrator, Artworker, Web Designer June 2015 - Present

Flex Sikhi is a company that designs and prints t-shirts. I have worked on all the designs for them and am in the process of making their e-commerce website. They are always coming up with new ideas for me to design in digital format ready for print.

Guru Nanak Dev Ji Gurdwara - Graphic & Web Designer Nov 2015 - Present

I do voluntary work for my local Sikh temple, I work on anything creative or IT related. I designed and created the logo, website and set up a letterhead, I maintain the website with weekly updates and send out regular emails to all subscribers for upcoming events and programmes taking place.

Cree8ive Design LTD - Senior Designer Feb 2018 - Oct 2019

I started working for Cree8ive design as graphic designer / video editor, after a few months service I became the senior designer and managed all the creative staff. This included dealing with clients and making sure the workload was delegated efficiently for everyone in the office. Working at Cree8ive Design taught me many things about the creative industry and the importance of working closely with clients to meet deadlines and requirements.

Other work

Catalent Pharma Solutions - Despatch Assistant May 2015 - Dec 2017

I worked for Catalent as a Distribution assistant, My job role involved checking paperwork and distributing medicines to hospitals and patients. It is a warehouse environment which includes me loading and offloading delivery vehicles. This job requires a lot of care and attention to detail to make sure everything matches and the medicine is delivered in time for the patient.

Convergys - Direct Sales Advisor Feb 2014 - April 2015

I have worked for both Vodafone and o2 on several campaigns. I sold mobile contracts and mobile insurance packages to new and existing customers. My job role is very customer service driven and is FCA regulated. We have personal targets which need to be met each week, this helps to keep me motivated as well as competing with friends to get more sales.

Blockbuster Video Ltd - Supervisor Sep 2010 - Dec 2013

While studying at university I started a part time job at blockbuster video. I worked my way into the supervisor position. In this position I was a Key Holder for our store and was acting manager when the manager was away. My duties included opening and closing the store, counting the tills, cash and banking, staff rotas, ordering stock, serving customers, stocking shelves, stock rotation, calling customers, up-selling products, price changes, cleaning etc.
